Work Experience

[Research Assistant](#), The New School

Remote

Spring and Summer 2020

Collaborated with faculty leader and one other student in creating and launching p5.Party, a multi-user Javascript library, where my role included:

- Building demo projects using the library
- Ideating new features
- Writing tutorials and documentation
- Co-hosting bashes introducing the library

[Digital Product Designer](#), Urban Interiors

Baltimore

2016 - 2019

Urban Interiors is a vintage furniture store with a strong online presence. With them I have worked on:

- Designing their Wordpress site
- Establishing and developing social media profiles
- Designing store branding such as logo, gift cards, flyers, etc.

[Production Intern](#), Sky Sports

London

June 2017

Was part of the Sky Sports "Work Experience" program, where I participated in:

- Live studio production
- Managing media and handling media intake and output
- Editing footage for trailers
